3. Amount of costs above that are covered by VA Education Benefits.

Tuition & all the fees are covered by VA Education Benefits.

4. Other types of Federal financial aid not administered by the VA, and financial aid offered by the institution, that the individual may be qualified to receive.

California Prestige University offers the Federal Pell Grant, Cal Grant, Federal Supplemental Education Opportunities Grant (FSEOG), Federal Work Study (FWS), and Loan Program for eligible students.

In addition, CPU offers scholarships for spouses/family members, pastors/missionaries, pastors/missionary's sons or daughters, and family members of the faculty and the staff (please see tuition and fees). CPU also offers several limited scholarships to students based on need. Students who have been selected to receive multiple scholarships could only be awarded a scholarship that complies with the decision of the Scholarship Committee. Many types of scholarships are available for students.

5. Estimated amount of student loan debt the individual would have upon graduation.

Veteran students are eligible for the benefits of full tuition, book, and living cost.

6. Information regarding graduation rates.

CPU provides the graduation rates information with the Enrollment Agreement to the student.

7. Information regarding job-placement rates for graduates, if available.

CPU provides the Job-placement rates for graduates with the Enrollment Agreement to the student.

8. Information regarding the acceptance of transfer credits including military credits.

A maximum of 75 percent of the units or credit that may be applied toward the award of a bachelor's degree may be derived from a combination of any or both of the following:

(A) Units earned at institutions approved by the Bureau, public or private institutions of higher learning accredited by an accrediting association recognized by the U. S. Department of Education, or any institution of higher learning, including foreign institutions, if the institution offering the undergraduate program documents that the institution of higher learning at which the units were earned offers degree programs equivalent to degree programs approved by the Bureau or accredited by an accrediting association recognized by the U.S. Department of Education.

(B) Challenge examinations and standardized tests such as the College Level Placement Tests (CLEP) for specific academic disciplines.

No more than 50% of graduate semester units or the equivalent in other units awarded by another institution may be transferred for credit toward a master's degree. An institution may accept transfer credits only from the institutions of higher learning accredited by an accrediting association recognized by the U. S. Department of Education, including foreign institutions, maybe transferred for credit toward a master's degree.

For the graduate students who obtained CPU's bachelor's degree with more than 85 units (over GPA of 3.3) taken in CPU can get 9 units of electives as transferred credits.

9. Any additional requirements including training, experience, or examinations that are required to obtain a license, certification, or approval for which the course of education prepares the individual.

California Prestige University administers a comprehensive Bible test to M.Div. Students who are ready to graduate. By passing the test, the student has completed the obligation to demonstrate a working knowledge of biblical content for graduation.

Candidates must pass the test with a score of seventy (70) percent or above to complete degree programs.

10. Other information to facilitate comparison by the individual about aid packages offered by different educational institutions.

To see the aid package information by different educational institutions, please check <https://nces.ed.gov/collegenavigator>.
